To Whom It May Concern:

Please accept this letter of recommendation on behalf of Jessica Forgety. Jessica is my student and she will be finishing her program requirements in the spring of 2013. I have had Jessica in several courses that I teach here at Tennessee Technological University. I have also observed her in the elementary classroom on different occasions. Jessica performs well in her University studies and demonstrates content knowledge and confidence when working with elementary school students. She has an inquisitive nature and a willingness to learn new information.

I believe Jessica will become an excellent teacher, and is worthy of your consideration for any K-6 positions that might be available. Please feel free to contact me if I can be of any assistance regarding Ms. Forgety.

Sincerely,

A handwritten signature in cursive script that reads 'Dr. Buddy Martin'.
